April 24-28, 2017

Help us celebrate National Playground Safety Week by educating your community through:

- Visiting www.playgroundsafety.org to download [checklists](#) and tools.
- Talking with students about the importance of playground safety.
- Posting the playground tips poster where students can see it.
- Participating in the kid checker program.
<http://www.playgroundsafety.org/safety-tips/kid-checker>
- Participating in NPPS online professional development.
